Our courses are accompanied by high-quality resources

As well as professional tuition, you'll receive resources to support your learning during and after the course.

Interactive Workbooks

Our interactive workbooks break down content into digestible, bite-sized chunks, streamlining your revision sessions.

Printed Booklets

Revise even when you're offline with professionally printed handouts conveniently bound into booklets.

Course Recordings

Online lessons are recorded, allowing you to dive back in for a refresher whenever you want.

PMT's Bursary Scheme

We reserve two free places on all our courses and give them to students who have applied through our bursary scheme.

GCSE Revision Courses

Our GCSE Christmas revision courses will get you feeling prepared and confident for your January mock exams. Alongside revising key concepts, you'll have plenty of opportunity to work on your exam technique, ensuring you're ready to maximise your marks come exam day.

Our science course covers all three sciences, focusing on the most challenging topics and questions for each subject. Often, students struggle with the same types of questions for each science, such as titration calculations for chemistry and long-answer questions for biology.

Structure of the day

9:30am - 4:30pm

Classes are from 9.30am to 4.30pm. Registration starts from 9.15am. There will be a 1 hour lunch break and a couple of 10 minute breaks in the morning and afternoon.

You can find a **timetable** for each course on the event page to see which topics are being covered.

How do our online courses work?

We use Google Classroom for our online courses

Our online revision courses take place within Google Classroom, keeping everything organised in one convenient hub. You will be emailed the link to join your classroom the day before your course starts. From here, you'll be able to access digital copies of our bespoke course resources and join the live lessons.

All our lessons are recorded and saved in the classroom allowing you to watch them back for a recap whenever you like. Any resources your tutor uses can also be added to the classroom for you to use for your revision.

Where do the live lessons take place and how do you join?

The live lessons take place on Google Meet. On the morning of the course, a 'Join' button will appear in the classroom. You click on this to join your lessons.

During the lessons, our tutors use the latest iPads and touch screen devices to replicate a real classroom environment. They can use teaching aids such as Powerpoints and a high-quality online whiteboard.

Will I get any handouts with my course?

All our courses are accompanied by high-quality revision materials. Our beautifully printed revision booklets are perfect for when you want to take your revision offline. Please ensure you book before the [printing deadline](#) to guarantee you get the booklets before the course starts. Please note, we can only send printed handouts to UK addresses.
