GCSE Refresher Courses

If you're looking for a productive start to Year 11, our GCSE Summer Revision Courses are just the ticket. With the friendly guidance of our subject-specific tutors, you'll recap all of the material from your Year 10 lessons, refreshing your knowledge and strengthening any areas of weakness. Held entirely online, these courses will ensure you feel ready and confident to tackle the final year of your GCSEs.

These courses are not specific to an exam board, as the aim of each course is to refresh and re-learn content, not prepare for exams.

How do our online courses work?

We use Google Classroom for our online courses

Our online revision courses take place within Google Classroom, keeping everything organised in one convenient hub. You will be emailed the link to join your classroom the day before your course starts. From here, you'll be able to access digital copies of our bespoke course resources and join the live lessons.

All our lessons are recorded and saved in the classroom allowing you to watch them back for a recap whenever you like. Any resources your tutor uses can also be added to the classroom for you to use for your revision.

Where do the live lessons take place and how do you join?

The live lessons take place on Google Meet. On the morning of the course, a 'Join' button will appear in the classroom. You click on this to join your lessons.

During the lessons, our tutors use the latest iPads and touch screen devices to replicate a real classroom environment. They can use teaching aids such as Powerpoints and a high-quality online whiteboard.

Will I get any handouts with my course?

All our courses are accompanied by high-quality revision materials. Our beautifully printed revision booklets are perfect for when you want to take your revision offline. Please ensure you book before the printing deadline to guarantee you get the booklets before the course starts. Please note, we can only send printed handouts to UK addresses.
